SIGNIUM Deskset - Wireless, black - US Layout

The wireless SIGNIUM Deskset, consisting of a mouse and keyboard, is the ideal companion for all daily computer tasks. The keyboard, with its full-size key layout and twelve multifunctional keys, enables efficient working with excellent clarity and functionality. Thanks to the reliable 2.4GHz wireless connection, it offers maximum flexibility in everyday use. The clear design ensures continuous working comfort. The keyboard is complemented by the precise 3-button mouse, which provides high accuracy with its 1,200 dpi optical sensor. The mouse also guarantees wireless freedom and is connected via the same USB-A receiver as the keyboard. The SIGNIUM Deskset is a combined solution that is both comfortable and easy to use. Whether in the office or at home, this deskset is the perfect choice for varied needs.
