

SL-650000-BK-01

STRIKE NX Gamepad - for PC/PS3, black

Use a single gamepad to control the latest generation of Windows® games as well as classics from days of old. The STRIKE NX supports practically all PC games, whether old or new, and lets you switch between the two controller technologies – XInput and DirectInput – at the press of a button. With its tried-and-tested ergonomic shape, precise analogue sticks, twelve buttons and realistic vibration function, the gamepad offers the ultimate in control and maximum comfort – whatever the game.
