LUNERA Metal RGB Rainbow Gaming Keyboard, black - HU layout

With the LUNERA Metal Rainbow Gaming Keyboard you are suitably equipped for adventures of any kind. The height-adjustable keyboard with a robust metal surface, full-size keypad and highlighted WASD keys was designed with the most important gamer needs in mind and offers optimal conditions for fast-pasted missions. At the same time, the multicolour illumination creates a cool atmosphere. Choose between three different brightness levels or the lively breathing effect. Furthermore, the 12 multifunctional keys as well as a Windows key that can be switched off and interchangeable WASD/arrow keys will help you to always find the right configuration. The robust metal surface not only makes the keyboard durable, it also looks incredibly good.
