

Slim design and high functionality – gaming fun is guaranteed with the SPEEDLINK ASSERO Gaming Mouse

With its RGB lighting, the ASSERO is an eye-catcher on any desk

Heeslingen/Deutschland, 17 May 2021 – Speedlink presents the ASSERO Gaming Mouse, the ideal companion for your next gaming session. The mouse convinces with its attractive price-performance ratio and is also visually a real eye-catcher.

Optimal handling and full flexibility

The mix of slim design and high functionality ensures that hours of gaming fun are provided with the ASSERO Gaming Mouse.

Thanks to the five buttons and the two dpi switches, the mouse can be set up individually. In addition, the mouse directly catches the eye with its multi-coloured

lighting elements. A sensor resolution of interpolated up to 6400 dpi also ensures that no move is too late in the game. Due to the driverless installation, the ASSERO Gaming Mouse can be used immediately and everywhere.

The [SPEEDLINK ASSERO Gaming Mouse, black](#) is available now (MSRP 19,99 €).
