## LIBERA Rechargeable Mouse - Wireless, Bluetooth, Silent, white

The rechargeable, wireless LIBERA mouse combines top-notch technology and comfort for an unparalleled user experience. With three connection options - 2.4 GHz (1 profile USB-A and 1 profile USB-C) and Bluetooth (1 profile) - the mouse offers the flexibility to seamlessly connect with various devices. Whether it's a laptop or a tablet, the LIBERA is always ready for use. Damped main buttons ensure almost silent yet precise clicks. In addition, the LIBERA features an additional horizontal scroll wheel, making navigation through documents and web pages a breeze. Worrying about batteries is also a thing of the past. Our LIBERA is rechargeable, saving the hassle and cost of disposable batteries. Work can continue smoothly during charging. The ergonomic shape offers maximum comfort in a relaxed hand position.
