

Ready for the next game: Speedlink launches new 4in1 Illuminated Gaming Set

The set offers a stylish complete equipment for all gamers with keyboard, headset, mouse and mouse pad

Heeslingen/Deutschland, 24. August 2021 – Speedlink presents the LUNERA 4in1 Illuminated Gaming Set, a four-piece all-in-one solution that meets the most important gamer needs. Equipped with a keyboard, headset, mouse and mouse pad, nothing stands in the way of the next gaming session.

RGB lighting for an immersive gaming experience

The keyboard

provides the ideal

conditions for action-

packed missions. It features a robust

metal surface, a full-sized keypad and highlighted WASD keys. A visual highlight is

the RGB illumination: Users can choose from five different modes and create the

right lighting atmosphere for every situation. The rubberized mouse included in the

set also complements the gaming setup with its RGB effect. Moreover, it ensures

precision in every gaming situation thanks to its five buttons and dpi switch. To make

sure that nothing can go wrong during the tense moments, the included mouse pad

offers every gamer the necessary support due to its soft and non-slip surface.

For a smooth exchange with teammates, the LUNERA 4in1 set is complemented with

a comfortably padded headset. This has a foldable microphone boom and a wired

remote that allows you to adjust the volume effortlessly. The headset provides every

gamer with flawless stereo sound.
