VOLTOR LED Stereo Gaming Headset, black

The VOLTOR LED Gaming Headset offers everything you need for an exciting gaming experience. The flexible headband and the ultra-soft ear cups ensure the perfect fit and exceptional comfort even during marathon sessions. Thanks to the precise microphone, you can rely on flawless communication with your fellow players. Even when the going gets tough, your voice is always clear and precise. At the same time, the 40mm driver units deliver rich stereo sound that brings your game's music and effects to life. The volume can be adjusted at any time using a practical control on the left ear cup. To ensure sufficient freedom of movement even during wild battles, the headset has a 1.8 metre long coated cable. The VOLTOR LED also boasts cool multi-coloured lighting.
