FORTUS RGB Gaming Mouse - Wireless, black

The FORTUS RGB Gaming Mouse offers control and maximum ease of use even during the toughest of battles. Enjoy incredible ergonomic comfort thanks to its rubberised finish and finger rest – and max-out on the wireless freedom to focus fully on your mission while pumped full of adrenaline. Utilise the dpi changeover switch to adjust the sensor's pixel-precise polling rate and make full use of your sniper skills – you'll know exactly which dpi setting you're using as it's visualised using four breathtaking colour schemes. Besides a rubberised scroll wheel, the mouse also features easy-access side buttons. Adjusting the RGB LEDs as desired, defining macros, saving button assignments and different profiles is possible thanks to the software. A real gamechanger!
