

## **For Multimedia Enthusiasts: The New GRAVITY LT 2.1 Speaker System**

**Heeslingen, April 4, 2025** – Speedlink presents the new GRAVITY LT 2.1 speaker system, offering powerful sound for all multimedia lovers. The GRAVITY LT 2.1 system impresses with its powerful subwoofer, which, thanks to its wood-enclosed casing, provides deep, resonant bass.

Whether you connect the system via Bluetooth® or traditional aux input, the GRAVITY LT offers seamless connectivity to PCs, notebooks, smartphones, tablets, and many other media sources.

The tabletop remote not only allows comfortable adjustment of volume and bass levels but also enables switching between AUX and Bluetooth, as well as muting and standby mode with just a button press. The remote is also equipped with subtle RGB lighting (which can be turned off).

**Availability:**

The GRAVITY LT 2.1 Subwoofer System will be available from the end of April for €79.99 (RRP).

**Technical Data SL-820009-BK:**
