

## **Gaming with comfort – The XANDOR Gaming Chair from Speedlink is now also available in stylish black-grey**

**The XANDOR makes every gamer's heart beat faster with its classic design and numerous features**

**Heeslingen/Germany, November 04, 2021** – The new black and grey XANDOR Gaming Chair from Speedlink ensures maximum comfort during long gaming sessions and fits into any environment with its chic, classic look.

### **High quality design and sturdy material**

The XANDOR Gaming Chair not only impresses with its stylish look, but it also offers numerous features that make the next gaming adventures even more comfortable for every gamer. Thanks to the sturdy and robust material, the chair is high-quality and particularly durable. Two height-adjustable and removable cushions provide ideal support for the neck as well as lumbar vertebrae, and the seat's side stabilizers create a wide surface on which to comfortably gamble. In addition, the backrest can be individually adjusted between 90° and 180° in inclination – as needed for the challenge ahead.

### **Availability**

The [XANDOR Gaming Chair, black-grey](#) is available now for 249,99 € (RRP).
