## VIRTAS Illuminated 7.1 Gaming Headset, black

Are you ready for an immersive gaming experience? The VIRTAS Illuminated 7.1 Gaming Headset puts you right in the middle of the game acoustically. The impressive 7.1 surround sound can be configured via the proprietary software, so you can experience action like never before. This intense and realistic sound reproduction is ideal for first-person shooters and can give you a decisive edge in lots of situations. The VIRTAS also offers all the amenities you would expect from a first-class gaming headset. The flexible microphone can be aligned in any direction and enables crystal-clear voice transmission, so you have flawless communication with fellow players even during heated battles. The volume can also be adjusted at any time using the practical cable remote control. The flexible headband and ultra-soft ear cups ensure excellent comfort even after hours of gaming sessions. Your gaming experience is also accompanied by atmospheric, multicoloured lighting. So the VIRTAS is an excellent choice both acoustically and optically.
