

SL-620010-BK

HI-GENIC Mousepad, antiviral, black

The HI-GENIC Mousepad is a smart choice for private use at home as well as in lively offices and public spaces. Thanks to the ViralOff® coating by Polygiene, the pad reduces 99% of all SARS-CoV-2, H3N2 and H5N1 viruses\* on its surface within two hours. The robust yet soft textile surface is also pleasant to use and suitable for all mouse sensors. The mousepad remains in place, even on smooth surfaces, thanks to a non-slip base.

\*tested in compliance with ISO18184:2019 for SARS-CoV-2, H3N2, H1N1
