

**For a radiant setup –
Speedlink presents the GRAVITY RGB Stereo Soundbar**

The soundbar delivers optimal sound for the next gaming sessions in addition to stylish RGB lighting

Heeslingen/Germany,

25. October 2022 – With the GRAVITY RGB stereo soundbar,

Speedlink introduces a sound system that can be used flexibly and is a real eye-catcher in any setup. Whether wireless or wired – the GRAVITY Soundbar can be easily connected to the desired device.

Compact sound system with excellent sound

The GRAVITY RGB Stereo Soundbar delivers the ideal sound for every gaming adventure. For even more gaming atmosphere provides the colorful RGB lighting on the front of the soundbar. There are also two ports that facilitate the use of headphones and microphones, so that annoying cable changes on the computer are spared. The volume can be adjusted as desired and the device can be switched on and off via a rotary control. The soundbar can not only be connected via cable, but also via Bluetooth® to smartphones or tablets, for example. Thus, numerous

applications and media can be enjoyed with the GRAVITY Soundbar.
