

**Not a chance for scratches on the floor –
Speedlink presents the new GROUNDID OCTA Floorpad**

**The stylish Floorpad is the perfect base
for extended gaming sessions**

Heeslingen/Germany, 15. November 2022 – With the new GROUNDID OCTA Floorpad, Speedlink offers the ideal solution to protect the floor from scratches. The pad is suitable for all gaming chairs and fits into any setup with its simple, modern design.

**The perfect base for the gaming
room**

On the GROUNDID OCTA any chair slides smoothly and dynamically without risking unwanted marks/scratches on the floor. The octagonal shape of the stylish base not only allows sufficient freedom of movement, it is at the same time very space-saving. The thickness of three millimeters and the anti-slip coating on the back of the Floorpad provide even more protection – so that nothing slips even during action-packed gaming sessions.
