PORTUS Headrest Mount, black

Have the ultimate in-car cinematic experience: the PORTUS Headrest Mount attaches tablets quickly and securely to the back of your car seat – allowing back-seat passengers to enjoy the finest in multimedia entertainment even while on the move. Thanks to its universal holder it can accommodate practically any device from 7" to 11" in size, plus it fits the majority of two-pole headrests. What's more, the multi-angle ball joint lets you position the device at the perfect viewing angle – so you'll feel like you're sitting in the front row when you're on the back seat.

Features

- Universal car headrest holder for tablet PCs
- secure tablet attachment to the car seat
