LETOS RGB 60% Gaming Keyboard, black - DE layout

The LETOS RGB 60% Gaming Keyboard combines stylish design with high functionality. The comprehensive RGB lighting offers both single-color and multi-color modes, which can be selected and turned off as desired. The keyboard is characterized by its compact 60% size and is equipped with a 1.5-meter long detachable USB-C to USB-A cable. Standard functions are expandable with convenient FN key combinations. The 25-key anti-ghosting technology allows for precise inputs at any time. With a USB polling rate of 1,000 Hz, fast and reliable responsiveness is guaranteed. Optimal comfort is ensured by the adjustable height and non-slip feet.
