

SL-650900-BK

Table Mount for DRIFT O.Z and TRAILBLAZER Racing Wheel, black

Everything under control - Maximise your gaming fun in no time at all with the TABLE MOUNT for DRIFT OZ and TRAILBLAZER Racing Wheels. Thanks to the simple hand screw, your steering wheel can be easily mounted and attached to table tops with a thickness of up to 40 millimetres. This ensures maximum grip at all times on winding racetracks and when things get exciting. The desk mount is compatible with the Speedlink DRIFT OZ Racing Wheel for PC and the TRAILBLAZER Racing Wheel for PC, PS4®, PS3®, Xbox® and Nintendo Switch®. Skilfully drift around even the tightest curves with the TABLE MOUNT!
