NIALA Keyboard, black - DE Layout

The wired NIALA keyboard with full-size keypad combines optimum quality with a slim, timeless design. Ideal for everyday use in the home office, at work, or for private use – all tasks can be completed reliably and effortlessly. The flat keys ensure a pleasant typing feel and enable focused, fatigue-free work even during long writing sessions. Twelve practical multifunction keys make everyday life easier: control media, adjust volume, or use quick access functions – all directly from the keyboard. Thanks to the USB-A connection, the keyboard is connected in no time and ready to use immediately. With a cable length of 1.6 meters, the keyboard offers flexibility on the desk, while the non-slip feet and their 2-step height adjustment ensure a secure stand and easy handling. A reliable companion for productive work in everyday life.
