## GRAVITY CARBON 2.1 Subwoofer System, black

The GRAVITY CARBON is an active 2.1 sound system for PC or notebook use and features a stunning carbon design for a distinctive look. You can hook it up to a multimedia device, smartphone or tablet using an AUX cable or via Bluetooth®. Be prepared to have your world rocked thanks to the powerful subwoofer which delivers deep bass and high-volume sound. A practical desktop remote makes it a breeze to control the speaker system, and thanks to its mains switch and auto stand-by mode the GRAVITY CARBON wastes zero power. It's a true all-rounder for any situation.
