XANDOR Gaming Chair, black-grey

The XANDOR gaming chair combines a classic design with numerous features that will make every gamer's heart beat faster. The stable and robust material not only gives it a high-quality look, but also a long service life. Of course, comfortable sitting during long gaming sessions is not neglected either: two adjustable and removable cushions provide ideal support for the neck and lumbar vertebrae, while the seat's side stabilizers form a wide surface for pleasant comfort. And the angle of the backrest can be adjusted between 90° and 135° to suit your needs and the type of challenge you want to master on the screen.
