Refreshingly cool breeze hits the desktop: Speedlink breathes fresh air into the fan market

Weertzen, 6 June 2018: Whether for work or entertainment, the desktop is going to be a much more pleasant place this summer thanks to these new USB fans from electronics specialist Speedlink.

At speeds of up to 2,900rpm, these Speedlink fans will send a fresh breeze whipping through the study. When temperatures are on the up and it's getting too hot for comfort, the space-saving and practical USB fans will cool things down again – plus they also look damn stylish. Whether it's the cute rubberised mini fan which is available in black, white or blue, or the premium model with its rotor cage, Speedlink has different models to suit any taste and any budget with prices ranging from €7.99 to €12.99.
